Dear Prime Minister,

I see from media reports that you will shortly meet President Joe Biden and Prime Minister Rishi Sunak in San Diego, California.

Meeting the UK Prime Minister presents a great opportunity to raise the issue of Frozen Pensions. You, like the over 200,000 Australians directly affected by the UK's policy of freezing UK state pensions paid to Australians, undoubtedly want to see an end to this discrimination.

This issue has been fluffed by Australian governments for far too long.

As an issue, it may not rate as important to you as AUSUK, the war in Ukraine and the potential for confrontation with China but for many Australians it is a matter of great importance.

Please don't let the opportunity to let this be known to the UK Prime Minister.

I look forward to hearing that you have stood up for your fellow Australians whilst in the USA.

Best wishes for a successful trip,

Yours sincerely,

Patrick EDWARDS
President
